LEARNING OBJECTIVES

By the end of this presentation, you will be able to:

- Explain the principles for selecting an appropriate tech tool
- Match various tech tools with your unique pedagogical purposes

SECTIONS FRAMEWORK

A pedagogical framework for choosing and using
media in education (Bates, 2015)

SECTIONS

Think before you select:

- S:** STUDENTS
- E:** EASE OF USE
- C:** COSTS
- T:** TEACHING FUNCTION
- I:** INTERACTION
- O:** ORGANIZATIONAL ISSUES
- N:** NETWORKING
- S:** SECURITY AND PRIVACY

STUDENTS

Who are your students?

Consider:

- Accessibility
- Digital readiness

EASE OF USE

Is the tool easy to use?

Consider:

- Set-up requirements
- Tech support
- Multi-use

COSTS

What are the associated costs?

Consider:

- Financial cost
- Time to learn
- Time to prepare
- Explore similar options

TEACHING & LEARNING FACTORS

What are your learning outcomes? Consider:

- Tool alignment
- Technology Teaching Toolkit

INTERACTION

Does the tool allow for interactions? Consider:

- Student-to-student
- Instructor-to-student
- Alternatives

ORGANIZATIONAL ISSUES

Are there organizational issues to consider? Consider:

- Tech support
- Faculty support
- Institutional licenses

NETWORKING

Does the tool allow for networking with others?

Consider:

- Integration with other networks/social media/forums

SECURITY

Is it safe? Consider:

- Security and privacy
- Institutional policies
- Identify risks
- Provide alternatives

FINAL TIPS

- Start with 1 tool
- Start by revising 1 assignment
- If you feel overwhelmed, your students will too!

HAVE FUN!

- Grab your Tech Toolkit and have fun exploring!
 - Technology Teaching Toolkit
