

CHATGPT IN THE CLASSROOM

Compare two essays about the news blackout:

Full disclosure: One is written by a news literacy student and one by ChatGPT.

Read both. With your partner, compare the writing, organization, and overall message of the essays.

1. Which essay best met the requirements of this assignment and why?
2. Who writes better? Why?
3. Which writing “sounds” better? Why?
4. Can you tell which text is written by a human and which by AI?
