

Can you translate the phrase “I’m sorry” in the context of a wedding into Spanish?

*Answer chatGPT:*

*In the context of a wedding, you can translate "I'm sorry" into Spanish as "Lo siento" or, for a more formal expression, "Perdón" or "Perdóname".*

Can you provide an English translation for the Spanish phrase "¡qué bien!" in the context of New York slang?

*Answer chatGPT:*

*In the context of New York slang, the Spanish phrase "¡qué bien!" could be translated to "Awesome!" or "Great!" These expressions convey enthusiasm and approval, which is similar to the sentiment expressed by "¡qué bien!" in Spanish.*
